Cambodia Sports Festival

he Cambodia Sports Festival is all about having fun, team building, networking and making new friends through sport; as well as helping to raise the awareness of sport throughout Cambodia.

The aim of this event is to stage a unique sporting event for corporate companies and individuals located in Asia as well as visiting holiday makers. Our goal is to create a sporting legacy in Cambodia and to run an annual 'Sports Festival' for both locals and visitors to enjoy.

The Cambodia Sports Festival is open to all ages and abilities and offers a variety of different team building sporting events to participate in. From Tennis, Football and Volleyball; to running, mountain biking, and a mini-triathlon which will take place at the ICF Campus in Siem Reap; and then the golf tournament that will be hosted at the stunning nearby Angkor Golf Resort.

During the sports festival we will also be showcasing various spectacle such as wheelchair basketball, Cambodian shuttlecock keepy uppies and some sporting events for children too. So, dust off your sports kit, put on your company cap and come and join us in Siem Reap, Cambodia in February 2019.

What is the Sports Festival all about & is it for me

The Sports Venue(s)

he sports festival is all about taking part, meeting new people, getting active and giving something new a go!

You can compete as either an individual, a team of friends, business colleges or part of a larger organisation competing across a variety of sports. The festival is for everyone; do not be put off by the competitive sounding nature of this festival - just come, take part and give it a go. Similar events are extremely popular in Europe and regularly attract some of the top companies and we aim to do the same here in Asia. We encourage you to wear the colours and logos of your company / organisation, which in turn builds prestige, loyalty and above all a bonding team spirit.

The festival will work on a sliding point system; were everyone will be awarded a point for taking part in a sporting event, with more points awarded to the winners of the event. Medals will then be awarded to the winning athletes and runners up of each event. However, throughout the festival all the points earnt by your team will be added together and divided by the number of individuals in each corporate team, which then decides the overall company winner.

The festival will kick off with a drinks reception and buffet dinner and then conclude with an award ceremony and closing gala dinner.

e are extremity honoured to have partnered with ICF Cambodia, to host this incredible event at their new multipurpose campus on the outskirts of Siem Reap. The venue boasts a brand new 5-aside football (soccer) pitch, 2 beach volleyball courts, 4 clay tennis courts and a multi-purpose lake where we will host the swimming and raft building boat race. The running and mountain biking disciplines will then take place in the surrounding countryside and the golf event at the nearby Angkor Golf Resort.

Seeing more of Cambodia & Asia with

See Asia Differently!

f you are looking at staying in Cambodia longer and wanting to see more of this incredible country, let us know when enquiring. See Asia Differently is a Cambodia based UK run travel company founded by Peter & Eva Jones. We have been living in Siem Reap (Cambodia) for the past 10 years so there is very little that we do not know or can't arrange.

Our typical tours are completely tailor-made just for you and 100% private. Outside Siem Reap there is so much to unearth; Jungle, Elephants, Dolphins and trekking in the North East. History, Culture and learning about Cambodia's chequered past in the capital Phnom Penh and then beaches and laid-back Islands in the South.

We are also experts in arranging holidays to Laos, Vietnam, Myanmar (Burma), Thailand and Indonesia. However, depending on your flight route, we recommend Cambodia, Laos, Vietnam and Thailand as being the best extension options with this festival.

We really look forward to meeting you in Cambodia and we hope you get some holiday inspiration by visiting our website at www.SeeAsiaDifferently.com
